Dear Ms. Brazell:

Subj: CONTRACT N62473-08-C-2401, ST605-07, LIFT STATION AND MISCELLANEOUS
SEWER REPAIRS AT NAVAL AIR STATION, FALLON, NEVADA STAR AWARD

It is my pleasure to inform you that Hydrotech, Inc. has been selected as the recipient of the PWD Safety Through Awards and Recognition (STAR) program for your outstanding safety performance during the execution of the Southside Waterline Repair. This award is a notable achievement and awarded only to those companies which have demonstrated a corporate proactive safety posture throughout the life of their contract. Your confined space entry program is above reproach and should set the standard in which confined space entry is handled.

As we strive to deliver a quality product, on time and within budget, we must not lose sight of safety as our number one priority. Your company has shown that commitment and has met the high standards of the Naval Facilities Engineering Command, NAVFAC Southwest and PWD outlined below for safety on the jobsite:

- o Zero DART incidents throughout the life of the contract
- o No contractor or government property damage for entire length of contract.
- o No safety non-compliance notices or stop work orders.
- o Minimum Overall Satisfactory performance evaluation – including quality.
- o Cumulative Average score of 90% or better on the contractor safety self-evaluation checklist process

Congratulations on your selection as a PWD Safety Award recipient. Well done!

Sincerely,

A handwritten signature in blue ink, appearing to read "Dale Seeley".

Dale Seeley, P.E.
Public Works Officer
CDR, CEC, USN

Encl: PWD STAR Safety Award Certificate

Star Safety Excellence Award Recognition of Outstanding Safety Performance

Congratulations to:

Hydrotech, Inc.

*People are our most critical resource –
No job or service is so important or urgent that we cannot take time to work safely.
Know Safety – No Michaps!*
